### HINTS, TIPS & CONDITIONS:

- Bear in mind the clothing you send needs to be of a child friendly fabric. A silk/mesh/leather probably won't work...
- Men's wardrobes are a good idea to trawl through, striped shirts make great clothing!
- Knitwear can't be altered I'm afraid!
- Only the products listed on the form can be made, unless I'm able to suggest otherwise once I've seen the items.
- The items you send won't be prewashed here, so any shrinkage that happens once you've received the finished products will be your responsibility.
- This service isn't refundable so please double check sizing with me first if you are unsure.
